Susan Deren's Journey as an Animal Medium

Susan Deren's journey as an animal medium began in childhood. She always had a deep connection with animals and could often sense their thoughts and feelings. As she grew older, she began to realize that she could also communicate with animals who had passed away.

At first, Susan was reluctant to share her gift with the world. She was afraid of being judged or ridiculed. But after seeing the profound impact her readings could have on people's lives, she decided to come forward.

Susan has now been practicing as an animal medium for over 20 years. She has helped countless people connect with their departed pets and find peace and closure. She has also appeared on numerous television and radio shows, and has written several books about her experiences.

How Animal Mediumship Works

Animal mediumship is a form of communication with animals who have passed away. Mediums like Susan Deren are able to bridge the gap between the physical world and the spirit world, and they can relay messages from animals to their loved ones.

There are many different ways that animal mediums can communicate with animals. Some mediums see visions of animals, while others hear their voices or sense their presence. Susan Deren uses a combination of these methods to connect with animals on the other side.

Benefits of Animal Mediumship

There are many benefits to animal mediumship. For people who have lost a beloved pet, it can provide a sense of peace and closure. It can also help

people to understand the death of their pet and to come to terms with their grief.

Animal mediumship can also help people to learn more about their pets' lives in the afterlife. They can find out what their pets are doing, who they are with, and what they are thinking about.

Susan Deren's Book: Animals Crossing Over
