- **Your personal style.** Your wedding dress should reflect your personal style. If you're a traditional bride, you might choose a classic wedding dress. If you're a more modern bride, you might choose a more contemporary wedding dress.
- **Your budget.** Wedding dresses can range in price from a few hundred dollars to thousands of dollars. It's important to set a budget for your wedding dress and stick to it.

The day of your wedding is finally here! It's time to relax and enjoy the fruits of your labor. Here are a few tips for creating your dream wedding day:

- **Start the day off with a relaxing breakfast with your bridesmaids.** This is a great way to get some quality time in with your closest friends before the big day.
- **Get your hair and makeup done professionally.** This will help you look and feel your best on your wedding day.
- **Take some time to relax and reflect before the ceremony.** This is a big moment, so it's important to take some time to yourself to process

everything.
