It was a dark and stormy Halloween night. The wind howled and the rain beat against the windows. Inside, five little monkeys were getting ready for bed.

1. One little monkey jumped on the bed,

2. Two little monkeys jumped on the bed,

3. Three little monkeys jumped on the bed,

4. Four little monkeys jumped on the bed,

5. Five little monkeys jumped on the bed.

But this was no ordinary bed. It was a haunted bed. And as soon as the five little monkeys jumped on it, they started to sink.

1. One little monkey sank into the bed,

2. Two little monkeys sank into the bed,

3. Three little monkeys sank into the bed,

4. Four little monkeys sank into the bed,

5. Five little monkeys sank into the bed.

The monkeys tried to climb out, but they couldn't. The bed was too soft and squishy. And as they sank deeper and deeper, they started to disappear.

1. One little monkey disappeared,

2. Two little monkeys disappeared,

3. Three little monkeys disappeared,

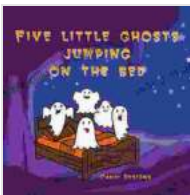

4. Four little monkeys disappeared,

5. Five little monkeys disappeared.

And then, there were no more monkeys. The bed was empty, and the room was silent. Only the wind and the rain could be heard outside.

The next morning, the sun was shining and the birds were singing. But the five little monkeys were gone. They had disappeared into the haunted bed, and they were never seen again.
